## eLearning: Convenient, Self-Paced Online Courses

*FlightSafety eLearning offers self-paced online courses that let you train at your own pace and schedule. Log on at any time and from any location with Internet access. Study, review and take tests when it's most convenient. Keep track of your progress with our Learning Management System, and return each time to where you left off your previous session. Complete a course, pass a test and earn a certificate of completion. Your records remain easily accessible on your myFlightSafety portal for you to review, print out and share.*

### **Courses for Every Aviation Professional**

Take courses that enhance your safety and boost your career, whether you're a pilot, maintenance technician, cabin attendant or scheduler/dispatcher.

### **Track Your Entire Department's Progress**

Flight department managers can track department members' progress through regular, automated email notifications.
