

PROFESSIONAL AVIATION TRAINING

# Bell 407 Pilot Training

*Course Information*

FlightSafety offers comprehensive professional simulation-based training on the Bell 407 Series helicopter. Our highly qualified and experienced instructors, pioneering advanced-technology flight training device – qualified to Level 7 by the FAA – and integrated training systems help ensure proficiency and safety. We designed our Bell 407 training, available at our Learning Center in Lafayette, Louisiana, to meet the professional training needs of all Bell 407 operators, offering pilots the resources to achieve proficiency and safety.

Course Curriculum	Initial	Recurrent
