

Cessna Citation CJ1+, CJ2+ and CJ3

Professional Pilot and Technician Training Programs

As the factory-authorized training provider for Cessna (Textron Aviation) for more than four decades, FlightSafety offers type-specific, simulator-based training on all Cessna Citation models. Our highly qualified and experienced instructors, advanced-technology flight simulators and integrated training systems help ensure proficiency and safety. Citation CJ3 training is available at the FlightSafety Learning Centers in Orlando, Florida, and Wichita, Kansas. Citation CJ2+ training is available at the FlightSafety Learning Center in San Antonio, Texas. Additionally, maintenance training for all models is available in Wichita, Kansas.

Innovation With One Purpose: Training Corporate Aviation Professionals for Safety and Proficiency

FlightSafety International is the world's leading aviation training organization. The leader in experience. The leader in technological innovation. The leader in global reach. FlightSafety serves the world's aviation community providing total aviation training for pilots, maintenance technicians and other aviation professionals. We serve business, commercial, general and military aviation with training for virtually all fixed-wing aircraft and helicopters. We live, breathe and ThinkSafety.

FlightSafety enjoys a strong relationship with Cessna that is built around FlightSafety's programs for aircraft including the Citation series. The Orlando, San Antonio and Wichita Learning Centers offer Citation CJ1+, Citation CJ2+ and Citation CJ3 pilots the resources to achieve proficiency and safety. Citation Learning Centers are located in Atlanta, Georgia; Columbus, Ohio; London Farnborough, United Kingdom; Long Beach, California; Orlando, Florida; San Antonio, Texas; and Wichita, Kansas – sites chosen for customer convenience and proximity to major service facilities.

Cessna Citation CJ1+, CJ2+ and CJ3 Training Program Highlights

- Get a head start on your training with FlightBag, our second-generation training materials app. Download complete training and pre-course study materials and access them wherever you are from any device. Materials are updated automatically as new information becomes available, yet it keeps all of your previous notes.
- FlightSafety's Citation CJ2+ and Citation CJ3 training programs include three type-specific, full flight simulators. Citation CJ3 simulators are located at both the Orlando, Florida, and Wichita, Kansas, Learning Centers. Citation CJ2+ simulator is located at our San Antonio, Texas, Learning Center.
- Citation CJ1+ simulator training is conducted in either a Citation CJ2+ or Citation CJ3 simulator with complimentary differences. This is available at the Orlando, San Antonio and Wichita Learning Centers.

Cessna Citation CJ1+, CJ2+ and CJ3 Training Program Highlights

(continued from previous page)

- The FlightSafety Learning Centers in Orlando, San Antonio and Wichita are all located near Textron Service Centers.
- FlightSafety International and Cessna have developed a close day-to-day working partnership that dates back to the early 1970s. This ensures that pilots and maintenance technicians who operate Cessna aircraft receive the highest quality and most up-to-date training possible.
- FlightSafety International offers cutting-edge, in-depth maintenance training for the Citation CJ1+, Citation CJ2+ and Citation CJ3. You benefit from both academic instruction and hands-on training, leveraging classroom environments with situational awareness.
- Advance your career while enhancing safety and improving dispatch reliability with FlightSafety's exclusive Master Technician training for the Citation CJ1+, Citation CJ2+ and Citation CJ3. Master Technicians are recognized throughout the industry as having achieved the pinnacle of training for their aircraft.

Your FlightSafety Learning Center Experience

- 1 Check-In/Orientation** Arriving at the center, you receive a warm greeting and a welcome packet of information about the specifics of your stay.
- 2 Classroom Instruction** Receive thorough classroom training from experienced, dedicated instructors supported by effective, state-of-the-art training devices.
- 3 Peer Interaction** Enjoy daily give-and-take with your peers, an important and stimulating additional source of information.
- 4 Self-Paced Learning** While you're with us, take advantage of opportunities to review topics or learn new subject matter through a variety of self-paced learning materials.
- 5 Simulator Briefings** Prior to each simulator flight, review with your instructor the procedures and specific objectives of that particular session.
- 6 Simulator Training** Coached by your highly qualified instructor, practice and refine the flight-deck procedures requisite to your course of training.
- 7 Simulator Debriefings** After each simulator flight, debrief with your instructor to measure your progress and set your learning priorities.
- 8 Results** Complete your training knowing you have the information and skills your job demands – because training doesn't stop until you've reached proficiency.

The FlightSafety Customer Training System

The FlightSafety Customer Training System provides professional, safety-centered training that leads to proficiency, heightened decision-making and leadership skills.

Inside the Most Trusted Name in Training

Global Leadership FlightSafety delivers more than 1.4 million hours of professional aviation training each year. We operate the world's largest aviation training network, with Learning Centers and training locations around the globe. We are honored to serve as the authorized training provider for the majority of business aircraft manufacturers.

Expert Instructors FlightSafety fields more than 1,800 of the industry's best instructors, each devoted to ensuring that our Customers are trained to proficiency. Each with the experience and credentials necessary to help our Customers perform at the highest levels of safety.

Strategic Locations. Worldwide Vision. We train to best meet our Customers' needs, wherever they may be. This is why FlightSafety's Learning Centers are strategically located adjacent to the major aircraft manufacturers or in other areas that best serve our Customers. Many centers offer training for a wide variety of aircraft types, while others are dedicated solely to the aircraft of one manufacturer.

In keeping with our role as the global leader in aviation safety, our training programs and flight simulators are qualified by international regulatory agencies, including the FAA, EASA, CAAC and Transport Canada.*

*Not all programs qualified by all authorities listed.

Cessna Citation CJ1+, CJ2+ and CJ3 Pilot Training

COURSE CURRICULUM	INITIAL	RECURRENT	PRIOR EXPERIENCE	PRO LINE 21/FMS 3000 INDOCTRINATION
COURSE MODULE	14 DAYS	3 DAYS	5 DAYS	1 DAY
Ground School	38.5 hours	11.0 hours	11.0 hours	6.0 hours
Systems Integration Training	6.0 hours	1.0 hours	1.0 hours	2.0 hours
Briefing/Debriefing	10.5 hours	2.0 hours	4.0 hours	N/A
Simulator (Pilot Flying)	14.0 hours	6.0 hours	8.0 hours	N/A

Pro Line 21/FMS 3000 Indoctrination Course – FlightSafety has designed a one-day Collins Pro Line 21/FMS 3000 Indoctrination Course for pilots who possess a CE525 type rating, have experience in the Citation CJ, Citation CJ1 or Citation CJ2, and are transitioning to the Citation CJ1+, Citation CJ2+ or Citation CJ3. This course is conducted the day prior to the start of the standard Citation CJ1+, Citation CJ2+ and Citation CJ3 Recurrent or Prior Experience Course.

Additional Check Rides – Initial and Prior Experience Courses include one check ride for the single pilot or crew type rating. If both types are requested, this will add an additional two hours of simulator and an additional charge (one-time clients).

Type Rating Prerequisites – As a minimum, pilot must possess a multi-engine and instrument rating with 1,000 hours total time for the CE525 Crew Type Rating. Pilots seeking CE525S Single Pilot Type Rating, please contact the Center for additional requirements.

Citation CJ1+ Training – Citation CJ1+ training is conducted in either a Citation CJ2+ or Citation CJ3 simulator with complimentary differences to the Citation CJ1+. This is offered at the Orlando, San Antonio and Wichita (Cessna) Learning Centers.
