TRAINING

# Experienced Instructors, Superior Training Technology

*FlightSafety International and TRU Simulation + Training, a Textron, Inc. company, have joined forces to provide aviation professionals the most superior training experience. FlightSafety Textron Aviation Training utilizes the combined capabilities of two global leaders for comprehensive, professional training for pilots and maintenance technicians on the Citation 650 Series – the Citation III, VI and VII. Training for pilots of the Citation III, VI and VII is available at our Learning Center in San Antonio, Texas. Maintenance technicians train at our Wichita Maintenance Learning Center in Wichita, Kansas.*

## **Innovation With One Purpose: Training Aviation Professionals for Safety and Proficiency**

Our highly qualified and experienced instructors, advanced-technology flight simulators and integrated training systems help ensure proficiency. Aviation professionals leverage decades of instruction knowledge and manufacturing expertise for an unmatched training environment.

Learning Centers offer regional and business aviation pilots and maintenance technicians the resources to achieve proficiency and safety. Training on Textron Aviation aircraft is conducted at Learning Centers in Atlanta, Georgia; Carlsbad, California; Columbus, Ohio; Farnborough, United Kingdom; Houston, Texas; LaGuardia, New York; Long Beach, California; Orlando, Florida; San Antonio, Texas; Seattle, Washington; Tampa, Florida; Teterboro, New Jersey; Toronto, Canada; Wichita, Kansas; and Wilmington, Delaware.

# Citation III, VI and VII Training Program Highlights

- The San Antonio Learning Center is conveniently located next to a Cessna Service Center and has been significantly remodeled to enhance the overall training experience.
- The San Antonio Learning Center offers Citation III, VI and VII training in a Citation III, Level C, full flight simulator with model differences to the VI and VII.
- The Citation III/VI Simulator has recently been upgraded to include VITAL 1100 visual system which delivers vastly improved scene content and unprecedented levels of detail, as well as simulating the imagery of all phases of flight.

# Citation III, VI and VII Training Program Highlights

- FlightBag, our second-generation training materials app, allows you to download complete training materials and access them wherever you are from any device. Materials are updated automatically as new information becomes available, yet it keeps all of your previous notes.
- We offer a full range of maintenance technician training at the Wichita Maintenance Learning Center for Citation III, VI and VII aircraft, including Initial, Engine Run and Taxi, Update, Troubleshooting and Operational Maintenance Procedures.
- Advance your career while enhancing safety and improving dispatch reliability with FlightSafety's exclusive Master Technician training for Citation III, VI and VII aircraft. Master Technicians are recognized throughout the industry as having achieved the pinnacle of training for their aircraft.

## Simulator Profiles

Location	Sim Level	Visual System	Approvals	Avionics	Additional Equipment
San Antonio (Citation III/VI)	C	VITAL 1100	FAA, TC, MDGAC, ANAC-Brazil	SPZ-650	Dual GNS-XLS/UNS-1Lw, EGPWS, TCAS II, APR and Radar

## Program Details

Location	Additional Training Devices	Differences Courses
San Antonio	Cockpit Procedures Trainer (CPT)	Citation VI, VII

# Citation III, VI and VII Pilot Training

COURSE CURRICULUM	INITIAL	RECURRENT	PRIOR EXPERIENCE
<b>COURSE MODULE</b>	<b>13 DAYS</b>	<b>4 DAYS</b>	<b>4-5 DAYS</b>
Ground School	41.0 hours	14.0 hours	14.0 hours
Systems Integration Training	2.0 hours	1.0 hours	1.0 hours
Briefing/Debriefing	9.0 hours	3.0 hours	4.0 hours
Simulator (Pilot Flying)	12.0 hours	6.0 hours	8.0 hours
Simulator (Pilot Monitoring)	12.0 hours	6.0 hours	8.0 hours

**Systems Integration Training** – This segment provides the pilot with the skills to operate the aircraft, integrate the theory delivered in the ground school, and applies those skills to the operation of the aircraft specific equipment.

**ATP Prerequisites** – FlightSafety is able to administer Airline Transport Certificate (ATP) Checks during the Pilot Initial and Prior Experience Course. To qualify, pilots must meet the requirements of 14CFR Part 61.155 through 61.159.

**Course length** – Course length does not include simulator check days, if required.

**Prior Experience Course** – This course is designed for pilots who are seeking an additional type rating (Single Pilot or Crew), or the addition of an ATP. These pilots must have completed an FAA approved course which led to a type rating prior to enrollment. In addition, this course is also for those pilots who have been flying the aircraft as SIC and now want to obtain a Type Rating. These pilots must have completed an FAA-approved pilot initial course and meet the type rating prerequisites. All Prior Experience Courses are scheduled on request.

**Training Options** – Training conducted in Model III/VI simulators and in a Model VII simulator with SPZ-8000 Avionics in San Antonio, Texas. Model differences also taught in San Antonio.

# Inside the Most Trusted Name in Training

**Expert Instructors** FlightSafety Textron Aviation Training fields the industry's best instructors, each devoted to ensuring that our Customers are trained to proficiency. With the experience and credentials necessary, they help our Customers perform at the highest levels of safety.

**Strategic Locations** We train to best meet our Customers' needs, wherever they may be. This is why Learning Centers are strategically located throughout North America and the United Kingdom to best serve Beechcraft, Cessna and Hawker operators. Many centers offer training for a wide variety of aircraft types, while others are dedicated solely to one specific aircraft brand.

In keeping with our role as the global leader in aviation safety, our training programs and flight simulators are qualified by international regulatory agencies, including the FAA, EASA, CAAC and Transport Canada.\*

\*Not all programs qualified by all authorities listed.
