

PROFESSIONAL AVIATION TRAINING

Piaggio Aero P180 Avanti II LiveLearning Recurrent

Course Information

This FAA approved course is designed to save time away from home by replacing the traditional two-day ground school conducted at the Learning Center with a 13-hour LiveLearning® ground school. Piaggio Aero P180 Avanti II LiveLearning Recurrent is currently available for FAA.

The pilot will have **90** days from the completion of the LiveLearning® Ground School to complete the required validation examination. If either letter of authorization is expired when the pilot arrives at the center, he/she will be re-scheduled for the prerequisite training at the next available opportunity.
