**The above prices only apply to training taken in Paris and exclude French VAT (Value Added Tax) if applicable. VAT will be charged to all individuals (from any country including France). For companies, please contact the center to see if VAT is applicable.**

**Flight Training-** EASA requires Flight Training in the aircraft. Please call the Paris Learning Center for details.

**Training Materials** – Training and Pre-Course Study materials are available electronically to clients 60 days prior to scheduled training via FlightBag, our second-generation training materials app. Materials are updated automatically as new information becomes available, yet keeps all of your previous notes. The FlightBag App is available on iTunes for free.

**Maintenance Training** – Maintenance Training is also available for this aircraft.

**Course Dates** - For course dates, please visit our website at [www.flightsafety.com](http://www.flightsafety.com) or contact any of the Learning Centers listed below.
