Flight Training- EASA requires Flight Training in the aircraft. Please call the Paris Learning Center for details.

Training Materials – Training and Pre-Course Study materials are available electronically to clients 60 days prior to scheduled training via FlightBag, our second-generation training materials app. Materials are updated automatically as new information becomes available, yet keeps all of your previous notes. The FlightBag App is available on iTunes for free.

Type Rating Prerequisites – As minimum, pilots must possess a multi-engine and instrument rating with 1000 hours total time for Type Rating.

Maintenance Training – Maintenance Training is also available for this aircraft.

Course Dates - For course dates, please visit our website at www.flightsafety.com or contact any of the Learning Centers listed below.
