Systems Integration	12.0 hours	1.0 hours
Briefing/Debriefing	16.0 hours	6.0 hours
Simulator (Pilot Flying)	16.0 hours	6.0 hours
Simulator (Pilot Monitoring)	16.0 hours	N/A
Simulator Check Ride	3 to 4.0 hours	3 to 4.0 hours

Simulator Training – All simulator training listed above is pilot flying time. Pilot not flying time is available if training as a crew or if paired with another client. If a FlightSafety Instructor is used as a second crew member, an additional fee will be charged.

ATP Prerequisites – FlightSafety is able to administer Airline Transport Pilot Certificate (ATP) Checks during the Pilot Initial and Prior Experience Course. To qualify, pilots must meet the requirements of 14 CFR Part 61.155 through 61.159.

Training Materials – Training and Pre-Course Study materials are available electronically to clients 60 days prior to scheduled training via FlightBag, our second-generation training materials app. Materials are updated automatically as new information becomes available, yet keeps all of your previous notes. The FlightBag App is available through the App Store for free.

Maintenance Training – Maintenance Training is also available for this aircraft.

Course Dates – Available upon request. Please contact any of the Learning Centers listed below for training dates.
